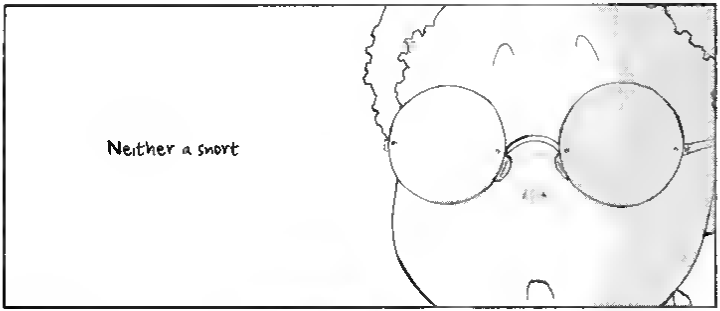
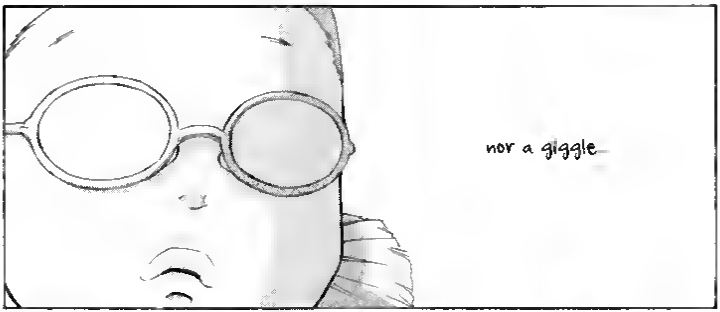
This is just the TOC, and again it (almost) only says which pages go with which chapter

Ah
Oh right
Our group is on that duty this week
After we're done cleaning, we have to go to the staff room and pick up the report cards right away...
Everyone? Two people should be plenty for that.
Okay Let's go, everyone.

No no no no
I say we do it with a grand kocho-kocho tournament!
Two?
So you think we should play rock-paper-scissors over who goes?
A group 6 grand tournament!
The rules are simple
I'll tickle
And if ya laugh, ya lose
Foxtail
Do you know?
What's that supposed to be?
No idea
The one with the most fun in life wins!
Sacchan, you keep coming up with these weird ideas all the time



Neither a snort



nor a giggle

Tickling these two wears me out
PANT
PANT
DEADPAN

Don't say that! Next up, Mio!
This doesn't really feel like a competition yet

No, I... I haven't even started yet!
That... That really tickles...
Which means...
It's one-on-one now!
Just one more to go!

Fine by me
Kay, we'll start with you!
TICKLE
TICKLE
TICKLE
TICKLE
AHYA-HA-HA-HA-HA
TICKLE...

Grrr
There's no such rule.
Hey! Not in the ears, that's cheating!
Well, sure. But...
But... But if I can make you laugh faster, it's my win, okay?
There's no way you'll be able make me laugh Not even a tiny bit!

I'll absolutely,
Bring it on!
SCRUNCH
totally make her laugh!!
snort
PFFFF
!!!
OH?

Wow, that was just. But I didn't laugh 'cause I was ticklish, okay!
YESSS——!!

They're late!
